

MEDMENHAM, NEAR MARLOW

HOW TO GET THERE?

Medmenham is situated only 5 miles away from High Wycombe on the A4155 linking Marlow with Henley-on-Thames.

The simplest way to get to Medmenham is to get on the M40 for High Wycombe.

-
- Exit the M40 at J4 and take the A404 heading for Maidenhead/M4
 - After a couple of miles downhill on the A404 take the exit for Marlow
 - Drive into Marlow. After approximately 2 miles you are in the centre of Marlow – at the first roundabout (Crosskeys pub on your left) go left
 - After another 200m at the next roundabout, head straight on (definitely NOT left)
 - You will start to head out of town and after another mile start to head uphill and through a narrow (2-way road!), you past Harleyford Golf complex and then through a small wooded area
 - After another half mile the road takes a sharp right and you approach a small roundabout – go right into South Close . You have arrived at the Married Quarters for RAF Medmenham
 - Enter the site and go left and up the hill over the speed bump. Take the first left up the hill and park in one of the slots available. The club will be in front of you.
 - Distance from the M40 turn is no more than 5 miles
